To Whom It May Concern

I came to know Dr. Hassan Muhammed Abdullah Thubab since he joined my laboratory, King Fahd Hospital, Jazan, Saudi Arabia for since one year in blood donation unit. Dr. Thubab has shown himself to be dedicated, reliable, and conscientious in carrying out his duties and has also demonstrated ability to react promptly and effectively. He has an updated knowledge in the field of medical laboratory. In particular, he has acquired excellent experience and skills in blood bank. Dr. Thubab is talented with a pleasing personality. I would like to offer my support to his application and I have no hesitation in recommending him for higher studies, as I have no doubt he will go far in the profession.
